The contest inaugurated by The Herald as to what two of Kentucky's sons should be honored by having their statues placed in the Hall of Statuary will close on Saturday, April 29th.

In this contest The Herald offered \$25 in four prizes—one of \$10, one of \$7.50, one of \$5, one of \$2.50—to those students in Kentucky colleges or public schools who name the two men who are selected by the majority of all those not students who express an opinion as to what two men should be so honored. The purpose of The Herald in inaugurating this contest and in offering these prizes was to arouse interest in the study of the lives of Kentucky's dead sons who served well their country and reflected honor on their State.

We ask every one who sends in any selection to give the reasons why, in his judgment, the two men he names should be honored above other distinguished dead. We hope a large number of the people of Kentucky will express their preference, and that in each and every school in the State attention will be called to this contest that the students may have their interest directed to the study of the history of the State and of the times during which Kentucky had a world-wide fame as the birthplace and home of great men.

No selection will be considered in determining the result of the contest which is not received by the 29th of April, and the prizes will be awarded to those who make the first selections.

We again ask the papers of the State to call attention to this contest and hope that it may result in reviving to a certain extent a knowledge of and admiration for those to whom Kentucky and the world owe so much.—Lexington Herald, April 10th.

## There are various ways

## LAONIC LINKS.

POULTNEY BIGELOWE's usefulness in Massachusetts is gone forever. He said in public that the Negro is not a good legislator.

MR. CARNEGIE's statement that he never said he desired to die poor shows that he is not so different from the rest of us after all.

The Governor of Iowa is working the "Iowa Idea" again. It is a hopeless task, we fear, until the Republican party is defeated.

The creation of vast private fortunes out of monopolization of the public utilities will soon be ended. The public is becoming "wise."

Don't be surprised if some enthusiastic telegrams from Oklahoma state that President Roosevelt shot mule-eating bears on the wing.

The Japanese are said to be small because they use no "chairs." Nor have they been letting the Russians use any either, for sometime past.

SENATOR BURTON's native modesty will prevent him from taking the initiative in such a radical proceeding as resigning from the Senate.

PERRY BELMONT wants the widest publicity about campaign contributions. Mr. Rockefeller will have to give under the name of "friend" in that case.

WASHINGTON has the advantage over most of the cities. After the Congress and the Legislature adjourn it is not pestered by a row in the City Council.

TEXAS has no objection to cheering a Republican President between campaigns, and if they were all like Roosevelt there's no telling what might happen.

COLORADO decided not to have a State oil refinery. The octopus has apparently been able to hold territory contiguous to Kansas, if the Sunflower State is in revolt.

IT MUST be a queer method of reasoning which leads that certain class of church workers to insist that a bad man like Mr. Rockefeller shall not be allowed to do good. Queer, some people.

MR. ROOSEVELT, of course, lost no time in wiring warm congratulations to the newly elected Mayor of Chicago, a Democrat and a Socialist, but the father of thirteen children. Well Dunne, good and faithful servant.

OUR English cousins, who are anxious for the United States to be an out-and-out ally, are saying such nice things about President Roosevelt that he will almost be made to feel that he is President of both nations.

A KANSAS City (Mo.) get-rich-quick concern failed, and thoughtfully posted this sign on their closed doors, "Good-bye, Suckers, Good-bye." It is a great pity those "suckers" did not know that they were "it" earlier in the game.

THE Congregationalists have at last decided to hold on to Rockefeller's \$100,000 gift of "tainted" money. We are not quite sure whether it is on the ground that they need it, or that all money is "filthy lucre" and looks alike.

IDA TARBELL advises Kansas "to quit sizzling and get down to business" in the fight against the Standard Oil octopus. Kansas may be sizzling but Standard Oil will be doing the same thing before she gets through with it.

"Who owns the railroads?" asks an Iowa paper. We have built a good many "in our mind," you know, but we can't say since Attorney Dodd has proved an alibi for the Standard Oil Trust.

MR. ROCKEFELLER has been defended by his attorney. "Whose bread I eat, his song I'll sing."

THE Lexington Herald has just added to its editorial staff Charles I. Stewart, and is to be congratulated upon the acquisition of such an able man. Mr. Stewart was recently on the staff of a Philadelphia paper, but severed his connection to come to Lexington. Those of our readers who remember the brief but brilliant career of the Louisville Dispatch, will recall the vigorous policy of that paper and the scintillating brightness of its editorial page. Suffice that Mr. Stewart was in part the presiding genius, and The Herald readers will now find the same refulgent rays reflected therein.

## DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and Home of Swamp-Root, dollar sizes are sold by all good druggists.

Don't make any mistake, but remember the name, Swamp-Root. Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
